

Can't
help but
ask me
feel

Disposal

THUD

Let's see where he left me in the end

Where he left me in the end

At the entrance

ENTRANCE
FOR CUSTOMERS

ENTRANCE
FOR CUSTOMERS

Even though
I was the
one to dump
him, thinking
about him

Everyone
has somebody
disappointed

People
other than the
customers and
authorized
people
**DON'T
ENTER**
No exceptions

Laughing
that society
was of his

And having fun

And who's
to say I was
the one he
was serious
about?

And he didn't
seem like the type
of person to have
a sense of virtue

Yes...

Sliding...

Because it
was obvious he
was cheating

And it
was only a
matter of
time before
we broke
up.

Open

I feel
good...

Sigh
